Scenario Planning Workshop

JANUARY MEETING

Featuring:
Mitchell Pulwer
Director of Automotive
Marketing
Solutia Performance Films
Tuesday, 15 January 2002
6:00 p.m. to 8:00 p.m.
Boeing Building 100
Auditorium
Light Refreshments Provided

Strategy for a coherent organization is about the way leaders fulfill its mission in the environment. Tendency is to assume that this environment is unchanging or predictable. We have to create a new approach to strategy and planning that takes into account the uncertainties of the future...find out how.

The workshop will include: Introduction to the Scenario Planning concept, Interactive Exercises using scenario planning, plus Refreshments & prologue room reception.

INDOOR AIRCRAFT

At the Paper Airplane Contest in May, contestants were treated to a demonstration of slow flying indoor models. These gossamer vehicles are covered in tissue or microfilm and powered by multiple strands of rubber. The St. Louis Thermaliers provided the demonstration and welcome those who would like further information. The Thermaliers meet on the third Friday of every month at the St. Louis County Library, HQ, on Lindbergh Ave, 7p.m. to 9 p.m. The group has regular monthly flying at various High School gymnasiums in St. Louis county.
